POLYNESIAN PARADISE

Enjoy the essence of the
Polynesian islands. Make
your special event an
authentic Hawaiian luau!

You can almost feel the trade winds of the South Pacific!
Colorfully attired greeters welcome you and your guests while Polynesian bands call forth the rhythmic movements of the hula. Become entranced by artists skilled in the dances of the Hawaiian, Tahitian and Maori islands. Thrill to the power and frenzy of the Samoan fire-knife dance! Each performer has individually mastered their talent, and with each movement tells their own special story. Bring the Pacific to you, with a fun hula lesson for you and your party. Our caterers offer the exotic flavors of the islands that is at once a pleasure to the palette as well as the eye. Let us assist you in decorating and planning your event from the excitement of a complete Polynesian revue to the romantic interludes of strolling musicians.

Kukui Productions is a group that is based out of the Portland-Vancouver area. Several of our dancers have toured the world sharing the Polynesian culture. Our experience reaches internationally to Hawaii, Japan, Korea, Guam and several areas of Europe including UK, Iceland, Germany, Belgium, Holland, Amsterdam as well as the Balkans tour sharing in Bosnia, Croatia, Serbia, Macedonia and Turkey.
